CON File #16-1-10981-X**

Dear Mr. Adkins:

On behalf of the Relational Management Services, LLC d/b/a Greenbrier Academy for Girls ("GBA"), please consider this letter a request to withdraw the above cited exemption. GBA has determined there will not be any behavioral health services provided at its proposed Village program in Summers County. GBA requests that the Health Care Authority formally acknowledge this withdrawal.

We appreciate your consideration of this request. If you have any questions or need additional information, please do not hesitate to let me know.

Sincerely,

  
Raymona A. Kinneberg
